

CELEBRATE EARTH DAY

April 22nd at

The SEEDS Workshop

The Seed Library – Seed Starting – Seed Saving

11am at the Brownfield Public Library

Did you know that the Brownfield Public Library has one of the area's only Seed Libraries.

The seed library is a free program committed to increasing our ability to feed ourselves wholesome foods by offering seeds and education.

Through the time-honored tradition of seed saving we celebrate diversity, nurture locally-adapted plant varieties, foster community resilience, self-reliance and a culture of sharing.

At this workshop we will cover:

- How the seed library works
- Best practices for starting seeds
- Easy methods of saving seeds for next year

Growing a garden can help with food insecurity & help lower stress.
It teaches kids how to enjoy being outdoors.

Sign-up now by calling 207-935-3003

Or drop by the library at 216 Main Street in Brownfield
